

### #1. Angled Eyebrow Brush

This brush is perfectly angled to apply color to eyebrows. Firm bristles are great for blending brow pencil lines, excellent to use with brow powder.

#### Your MK eyeliner/eyebrow brush:

Line and define eyes with eye shadow or to apply powder over your pencil liner. Perfect for use wet or dry. Separate your lashes with the lash comb and shape your brows with the eyebrow brush.

### #10. Highlighter Brush

A wide, arched sable brush used to follow the shape of your brow to lightly apply color onto the brow bone or across the lid.

#### Your MK Eye Crease brush:

Use this brush for your mid tone shade in the crease of your lid; starting from the outer corner of the eye to the inside corner.

#### Your MK Eye Defining brush:

Use this brush to apply your most intense shade of eye color along the lash line and into the outer corner of the crease of the eye.

### #13. Squirrel Eye Shadow Brush

Precision-style squirrel brush is perfect for applying your favorite shade of eye color along the lower lashline. Or use it to apply a defined line of color in the crease of the eye.

### #16. Eye Shadow Blending Brush

Soft sable brush excellent for all over blending – a must when you're wearing more than one eye color. By keeping this brush free of color, you can use it to blend everything together with beautiful results.

### #50. Concealer Brush

This synthetic brush is used to apply concealer with precision. It allows you to cover spots or flawed areas of the face without over blending or over working concealer.

#### Your MK blush brush:

Use this brush to dust on cheek color and blend in beautifully!

#### Your MK powder brush:

As a powder brush use to apply loose powder smoothly for sheer, even application. Also makes a great bronzer brush, giving you a perfect bronze glow. You might want to have 2 brushes- one for powder and one for bronzer.

### #81. Pull Apart Lip Brush

Soft sable lip brush with a tapered fine point to apply lipstick and lip gloss with precision. Pull apart top makes this perfect for travel or your purse for touch-ups at any time.
