

# Who got it right?

Even stars don't know when they've gone overboard!

## BRONZER

**EVA LONGORIA's** bronzer made her look overbaked! But Robert Jones, author of *Makeup Makeovers*, says **JESSICA ALBA** got perfect coverage with a bronzer that's just a shade or two darker than her skin tone.

**RIGHT!**

For easy blending, apply bronzer with a large brush

## BLACK EYELINER

Raccoon eyes give **JESSICA SIMPSON** a Goth edge when she should be fresh-faced for the dating scene. By keeping the color close to her lashes, **MISCHA BARTON** gets it right, Jones says.

**RIGHT!**
